

REMARKS

The above amendments have been made in order to correct the translation filed September 28, 2006. While the translation indicated the designated spot for Equations 1-7, it did not include the equations themselves. While the equations do not per se require translation, they should have been included in the text portion.

Some additional minor corrections have also been made with respect to paragraphs 278, 292 and 426.

Respectfully submitted,

Akira KATO et al.
